

Discover the Healing Benefits of the AL500 Wellness Laser

The AL500 Cold Laser is in a class all by itself. Fastest & safest photon laser delivery system on the market at an affordable price.

8+ Reasons Why the AL500 Laser will be your next best friend:

- AL500 delivers 500mW of infrared true cold laser power at 810 nm, which is the maximum power of a cold laser or low level laser.
- AL500 is deep penetrating up to 3" for treatment of even the densest tissues, bones, teeth, tendons, ligaments, large joints and muscles.
- AL500 utilizes a Patent Pending Super Laser Ionization Chamber (SLIC), Photon Enhancer, ensures maximum delivery of photons to target tissue.
- Guaranteed best value, as it outperforms lasers of comparable power and wavelength, which easily cost from \$5K to \$10K.
- Practitioners say, "The AL500 Wellness Laser can be used anywhere, any time & works better than ultrasound and electric stim."
- Easily used for pain management and the relief of stiffness associated with muscles, joints, knee pain, arthritis, carpal tunnel syndrome, tennis elbow, headaches, Fibromyalgia, back, neck and shoulder pain.
- Also used for treating addictions, smoking cessation & weight control.
- Commonly used for treatment of acupuncture/acupressure points on the body, myofascial points, trigger points and is particularly suitable for use on the Microsystems of the body including: ear, hand & foot points.

Comes with full instruction manuals, bonus "Acupressure Recipes" book, which teaches you how to treat 156 common conditions, 1 year wty., 2 sets rechargeable batteries, charger, glasses, compact case, & free S/H.
