QUASAR CAPSULE

You will enjoy the soothing and relaxing warmth of the Quasar Capsule as it increases circulation and stimulates your own body's healing capacities. The selected wavelengths of light penetrate deeply to be absorbed at the cellular level. The cascading series of biological events that follow can relieve pain, speed up healing, and increase collagen for stronger muscles and firmer skin.

HEALING

The healing light from the Quasar Capsule can hasten the recovery from sprains and strains, bruising, and wounds. Generally speaking, you will heal in half the time.

PAIN

Your Quasar Capsule can temporarily relieve pain, both acute and chronic, usually within minutes to hours. This may lessen the need for medicinal pain relievers.

ATHLETES

Professional and amateur athletes frequently need accelerated muscle recovery following performances. The Quasar Capsule immediately stimulates recovery and helps to ensure that you are at the top of your game on the next performance.

COSMETIC

The Capsule delivers results from the inside out. By stimulating circulation and collagen formation, your skin looks firmer, attractive, and more radiant. Best of all, the results last for weeks or months.

INCLUDES

- Quasar Capsule w/6144 red/infrared leds.
- Controller uses 110Volt outlet with 24 volts delivered to capsule.
- Dimensions: 80"L x 37"W x 32"H
- Treatment area: 5,250 Sq. In.
- Power output: 47,846.4 mW
- Weight: 220 lbs.
- Internal Cooling Fan Dual Power Supply
- FDA registered

WARRANTY

- 2 year limited warranty, direct replacement first year.
- 1 year limited acrylic warranty.

PRICING \$25,000

- Leasing options available
